Equality and Diversity Monitoring Form

The built environment industry needs to overcome chronic underrepresentation of women, BAME and LGBTQI+ individuals, people with a disability, and those of different ages and classes to create a strengthened, resilient workforce.

NLA wants to meet the aims and commitments set out in its diversity charter. This includes not discriminating under the Equality Act 2010, and building an accurate picture of the make-up of the workforce in encouraging equality and diversity.

NLA needs your help and co-operation to enable us to do this, but filling in this form is voluntary.

The information you provide will stay confidential, and be stored securely and limited to only some staff in the organisation for the purposes of understanding our inclusion and diversity make-up.

Please send a link with your completed form with the email heading E&D Strictly Confidential to lucie.murray@nla.london
