

NEW LONDON AGENDA

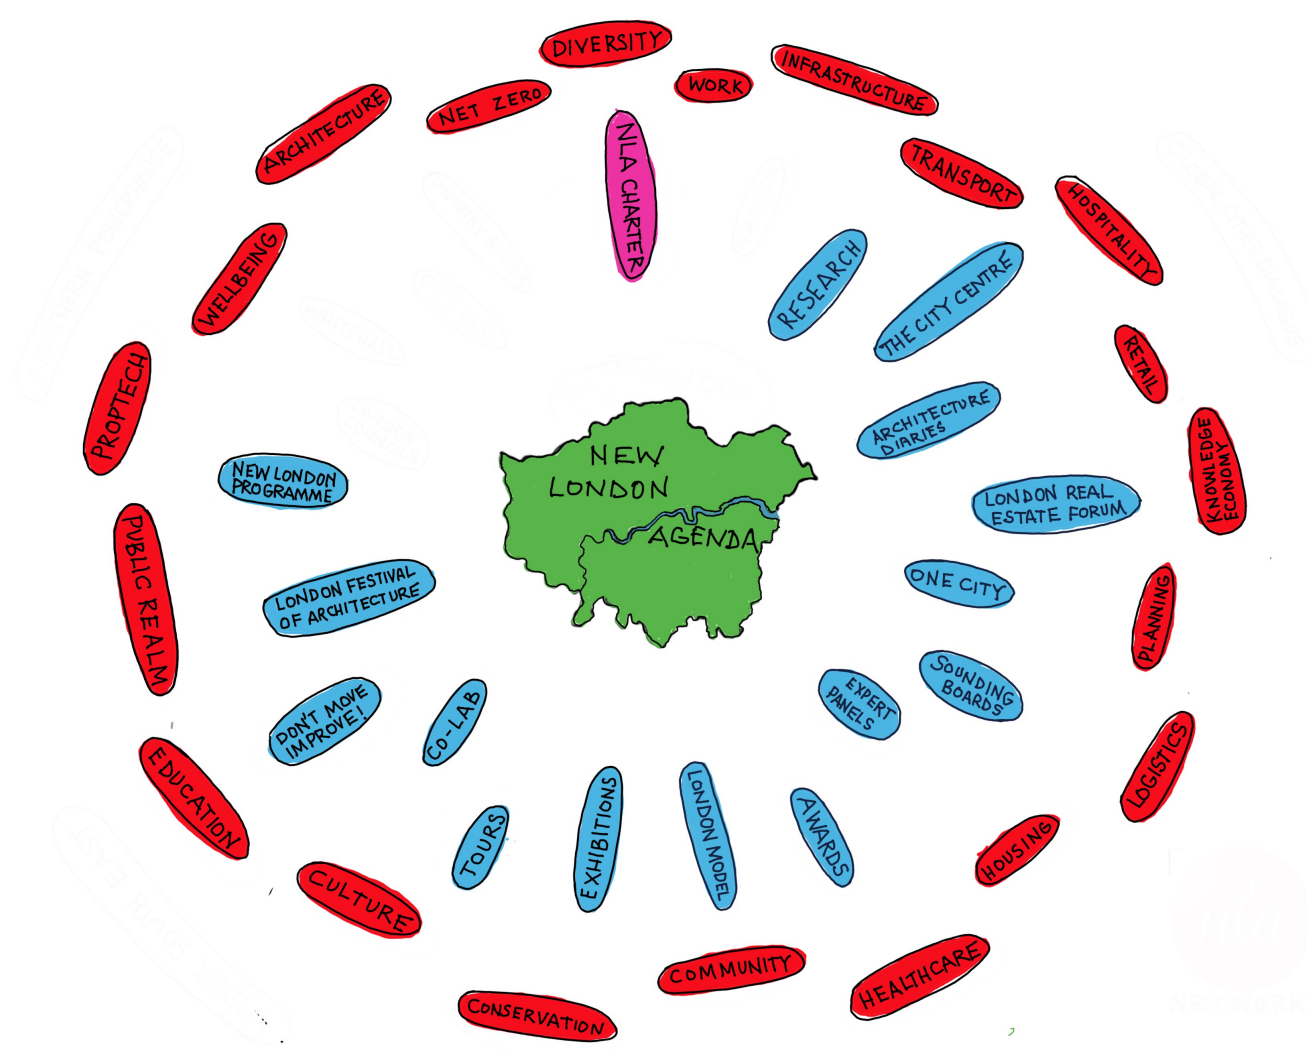

What is the New London Agenda?

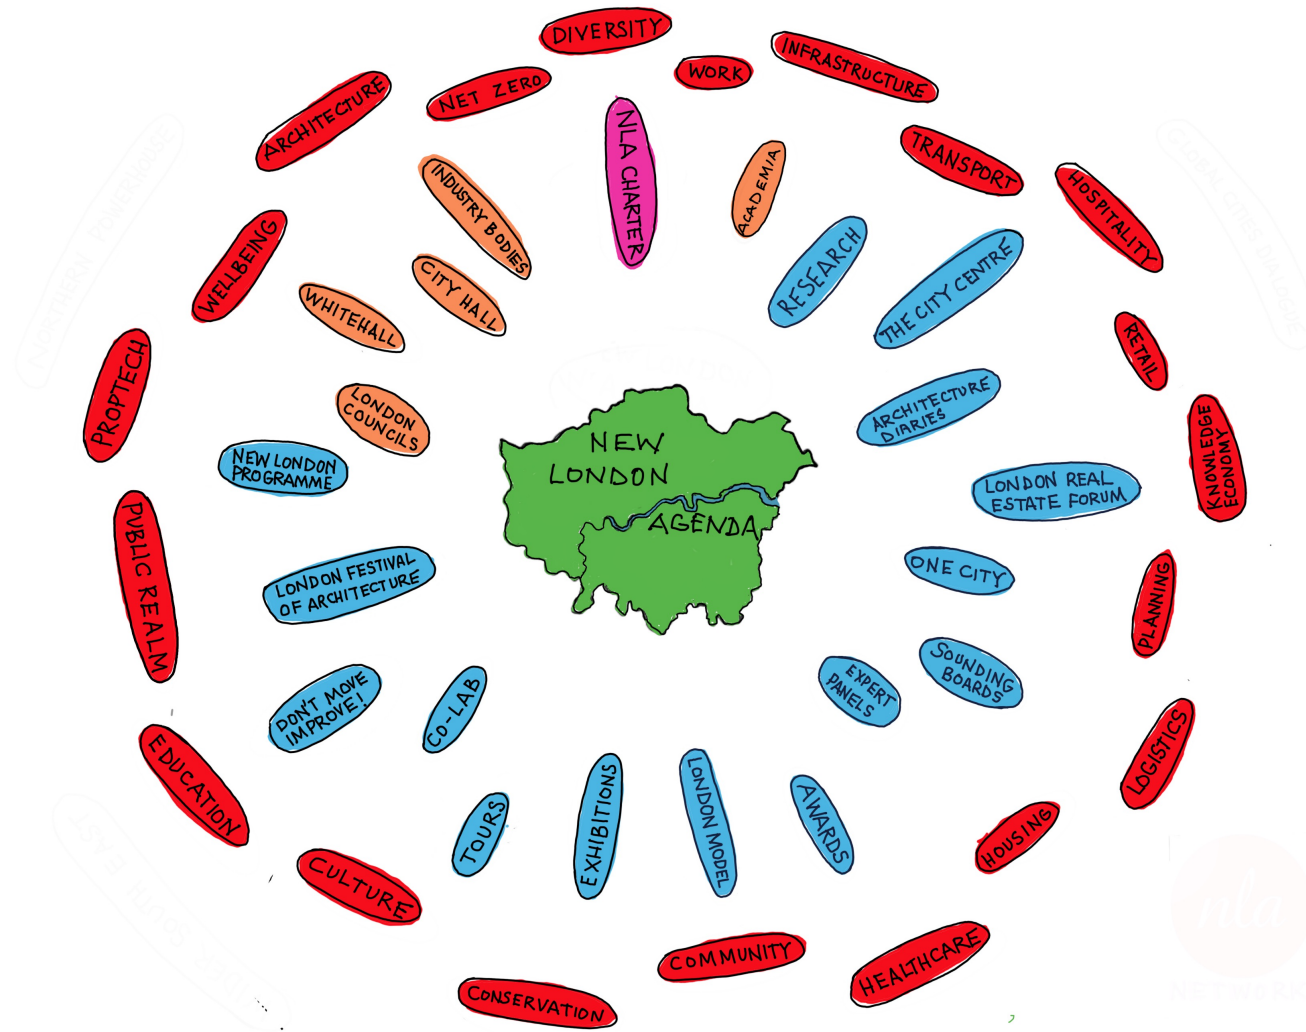

A vision for London including practical policy outcomes setting out how the built environment sector can deliver London's needs.

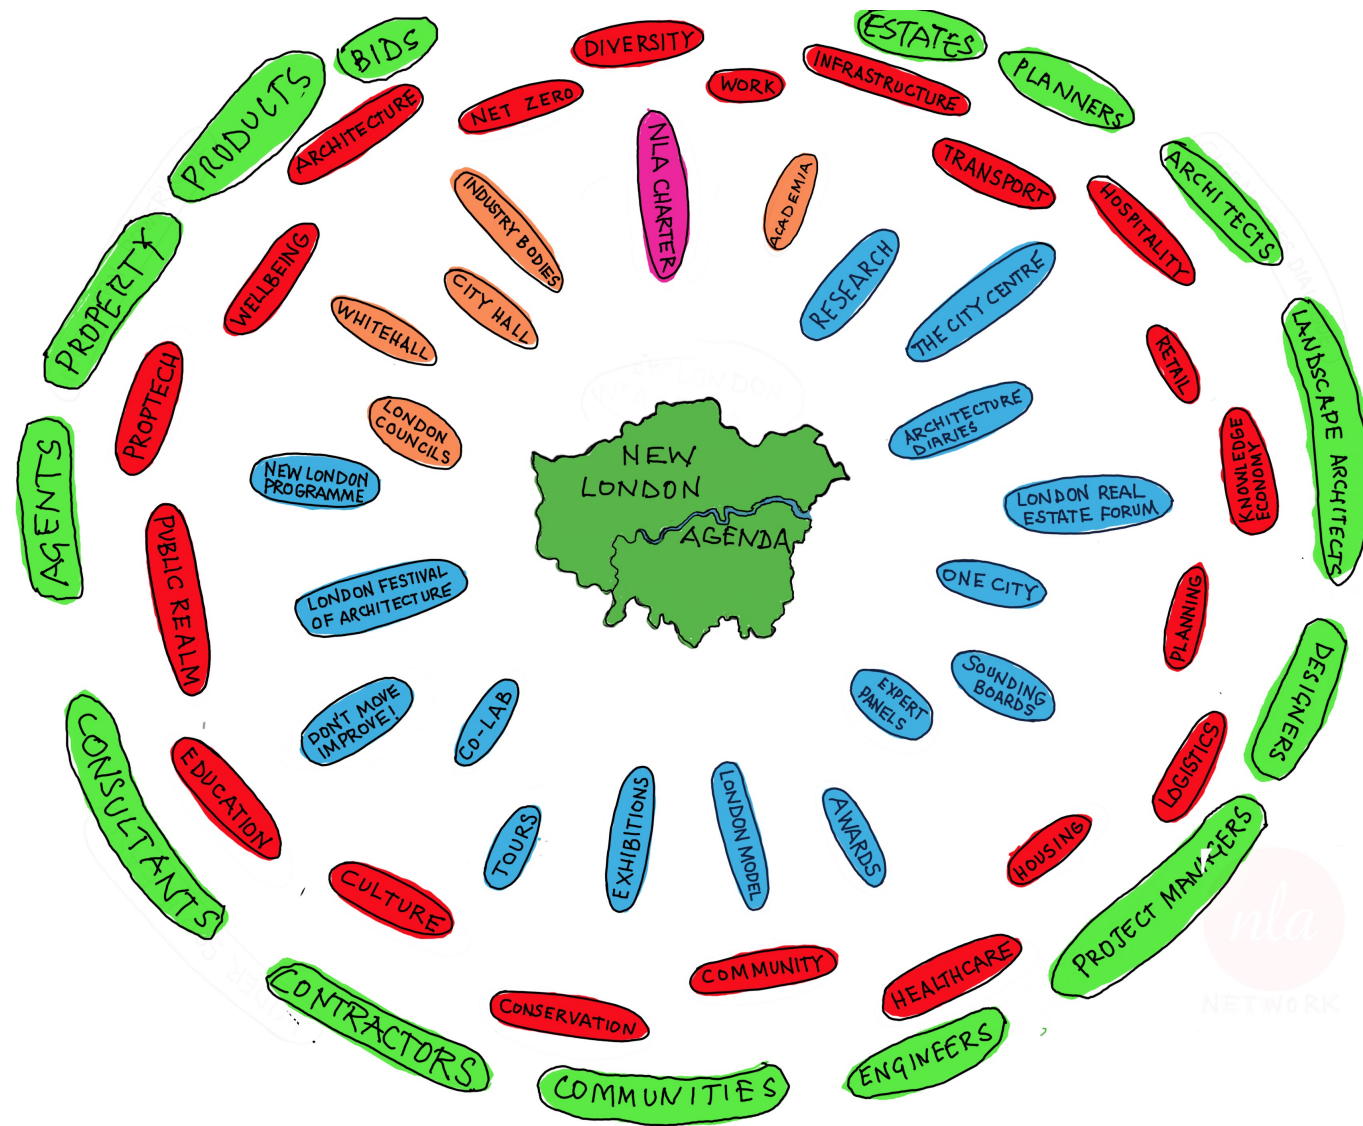

The New London Agenda is developed by NLA and supported by civic leaders who wish to see London thrive and innovate.

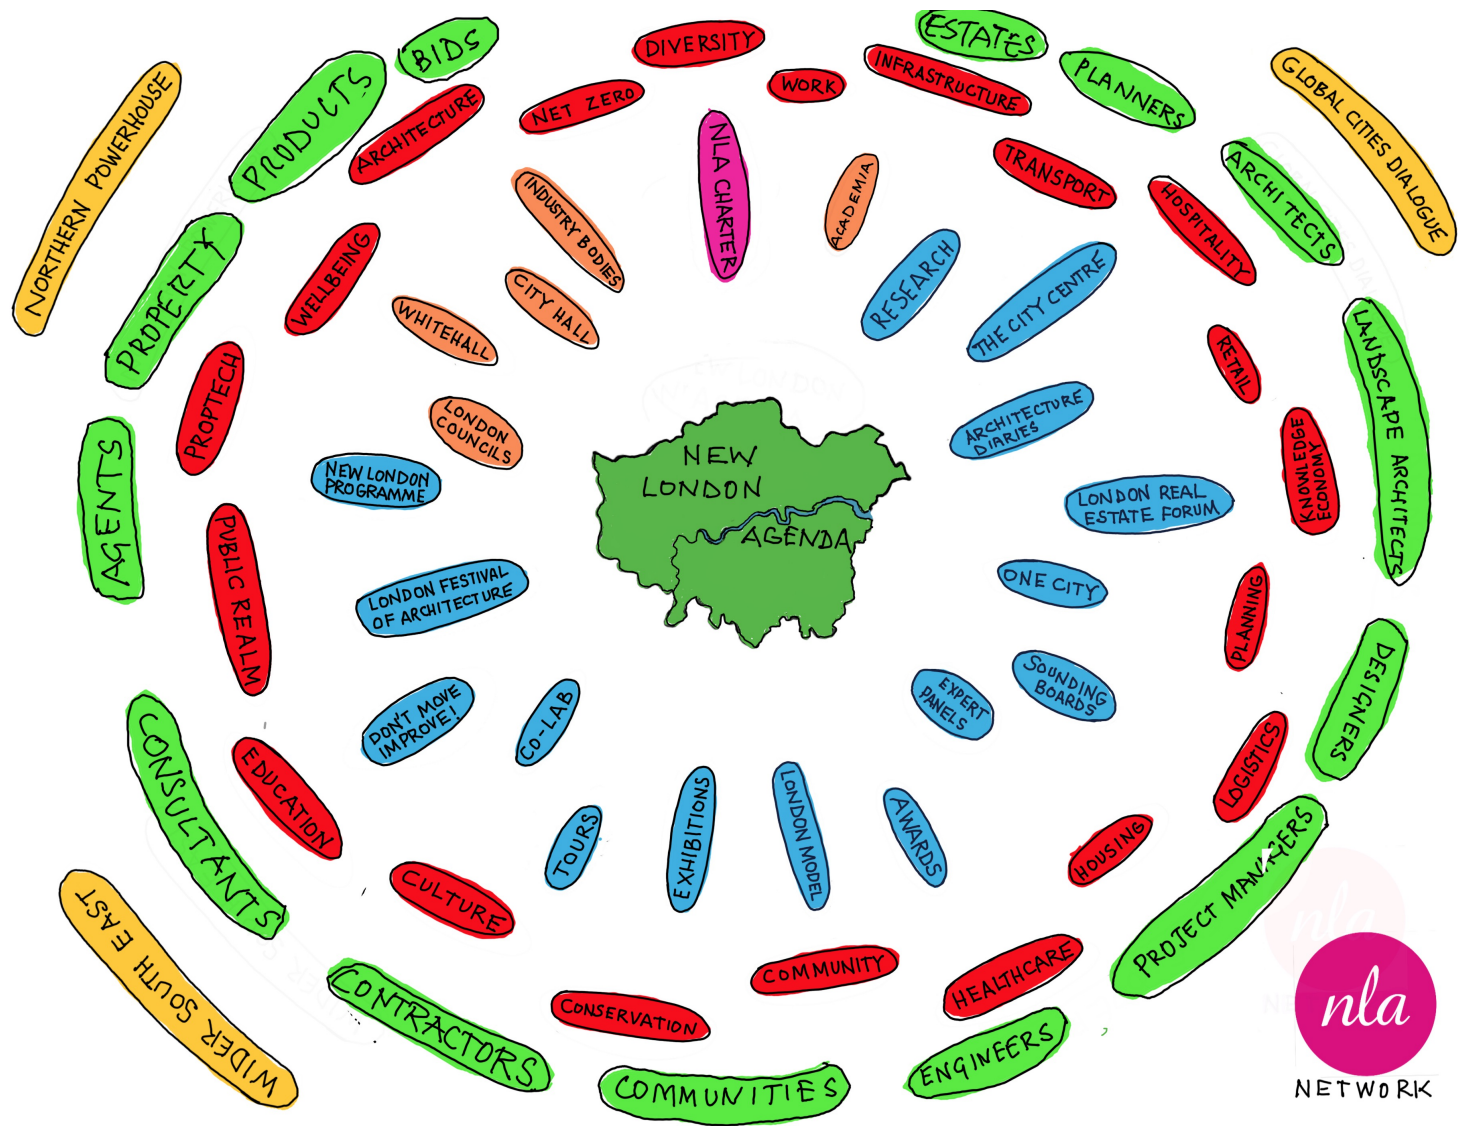

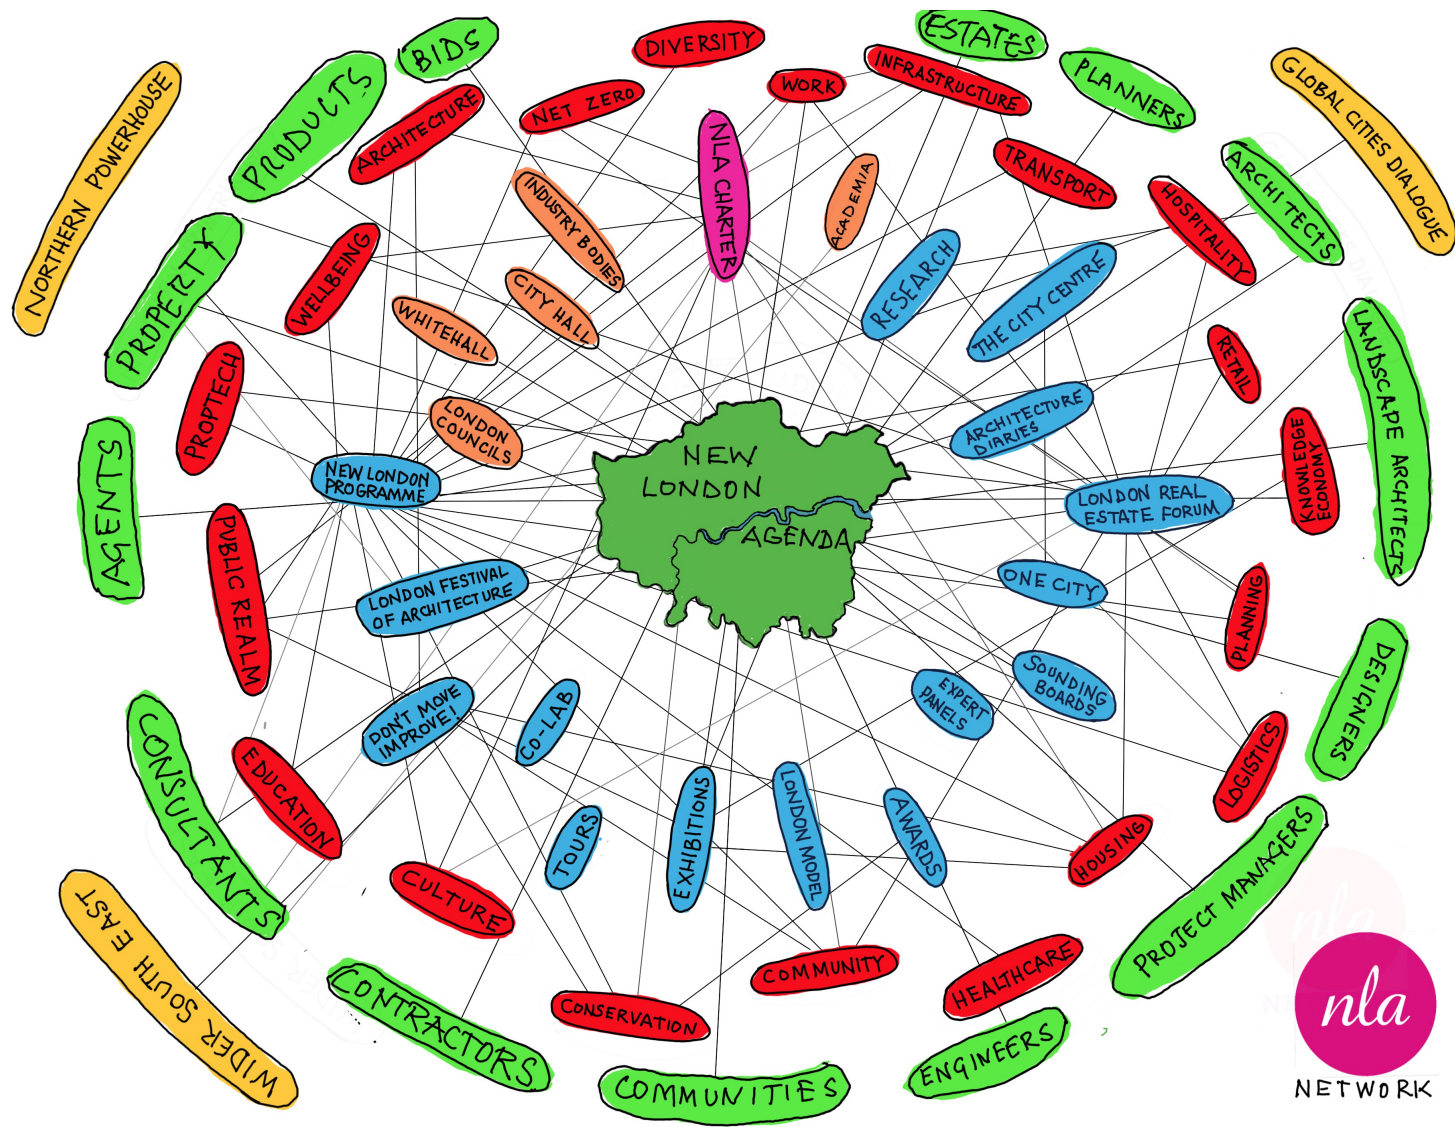

Who is shaping the New London Agenda?

NLA Research team working closely with the NLA Expert Panels and the NLA Champions and Principal Partners, and scrutinized by the New London and NextGen Sounding Boards.
