

**The  
London  
Centre**

The London Centre is home to NLA, London's built environment community.

NLA is an independent, purpose-led membership organisation for London.

We ensure a two-way dialogue between the Government and our industry and that our members are fully involved in debating and influencing change to improve the quality of people's lives.

# HOST YOUR EVENT AT THE LONDON CENTRE

Located in the heart of the City, the London Centre tells the story of London through the exhibition and physical models enables visitors to understand what's changing and how the city is being shaped for the future.

A 4-minute walk from Bank and Moorgate tube stations, and an expected 10,000 visitors per month, the Centre will be a key hub for the built environment and the public.

All packages include:

- Professional catering team offering a range of seasonal menus
- Full AV and tech support
- Personalise your event with bespoke model talks and city walking tours
